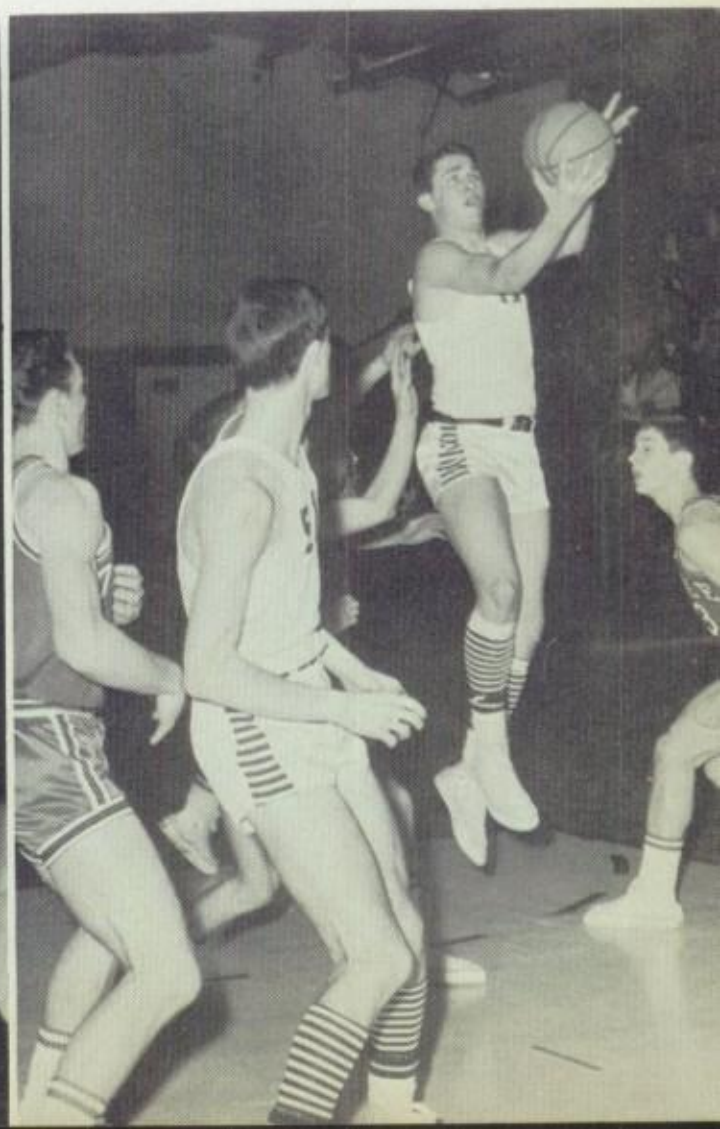
The noise and excitment of a pep rally.

An assembly of students from Four Townships.

The thrill of a Homecoming Victory.



A special friend;
A precious moment.

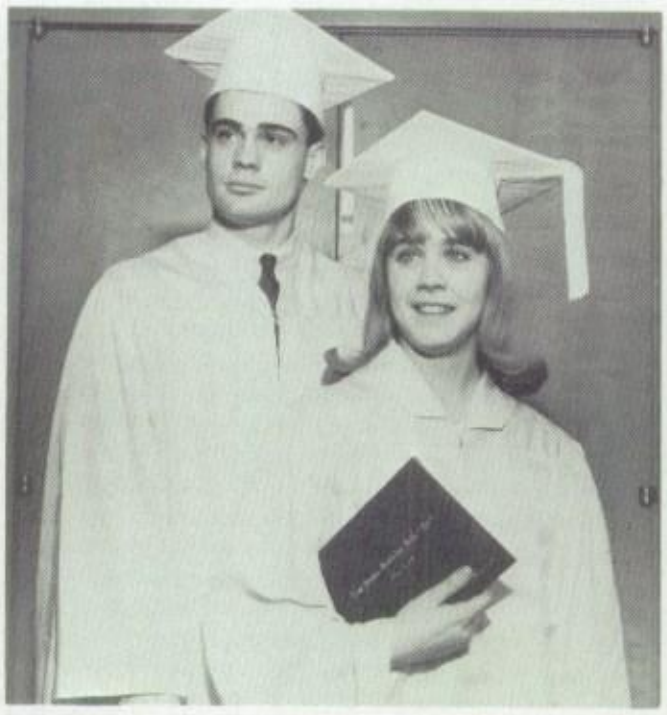
Naive anticipation on
the first day as
Freshmen;

Loneliness and

Sorrow on the

Last day as

Seniors.

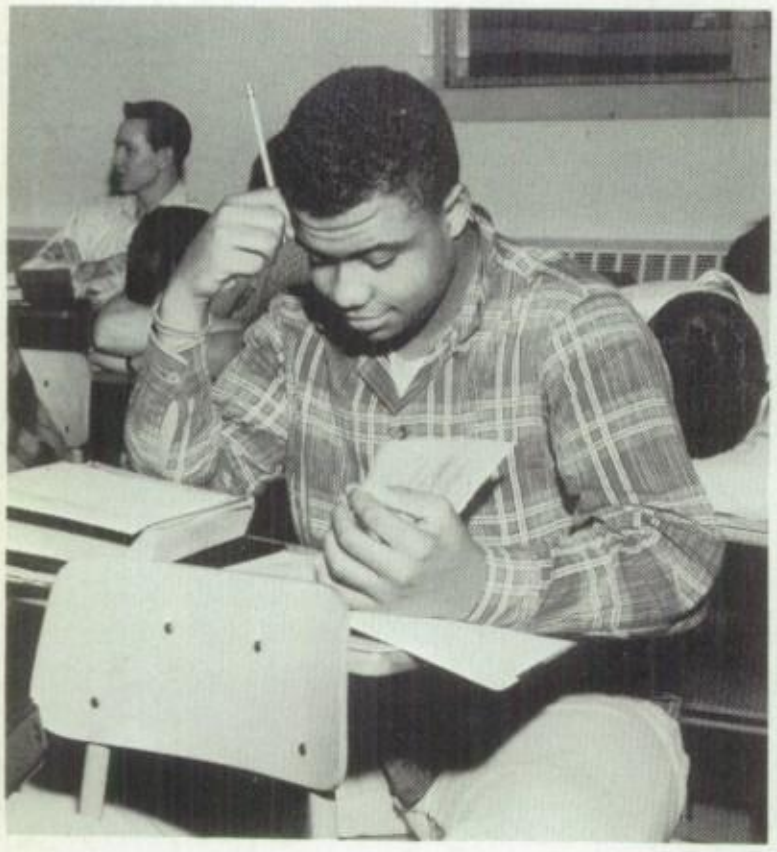


Administration eager to help;

But quick to
scold when
necessary.

A secure
knowledge with
which to face
the world.

A quiet devotion
of the teachers
who guide us
through the years.

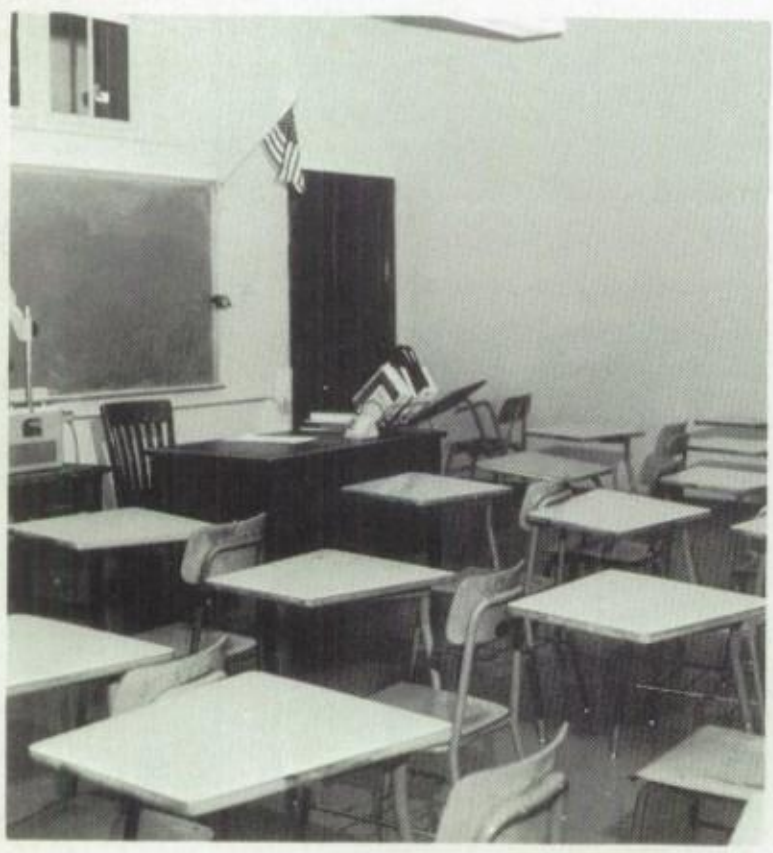


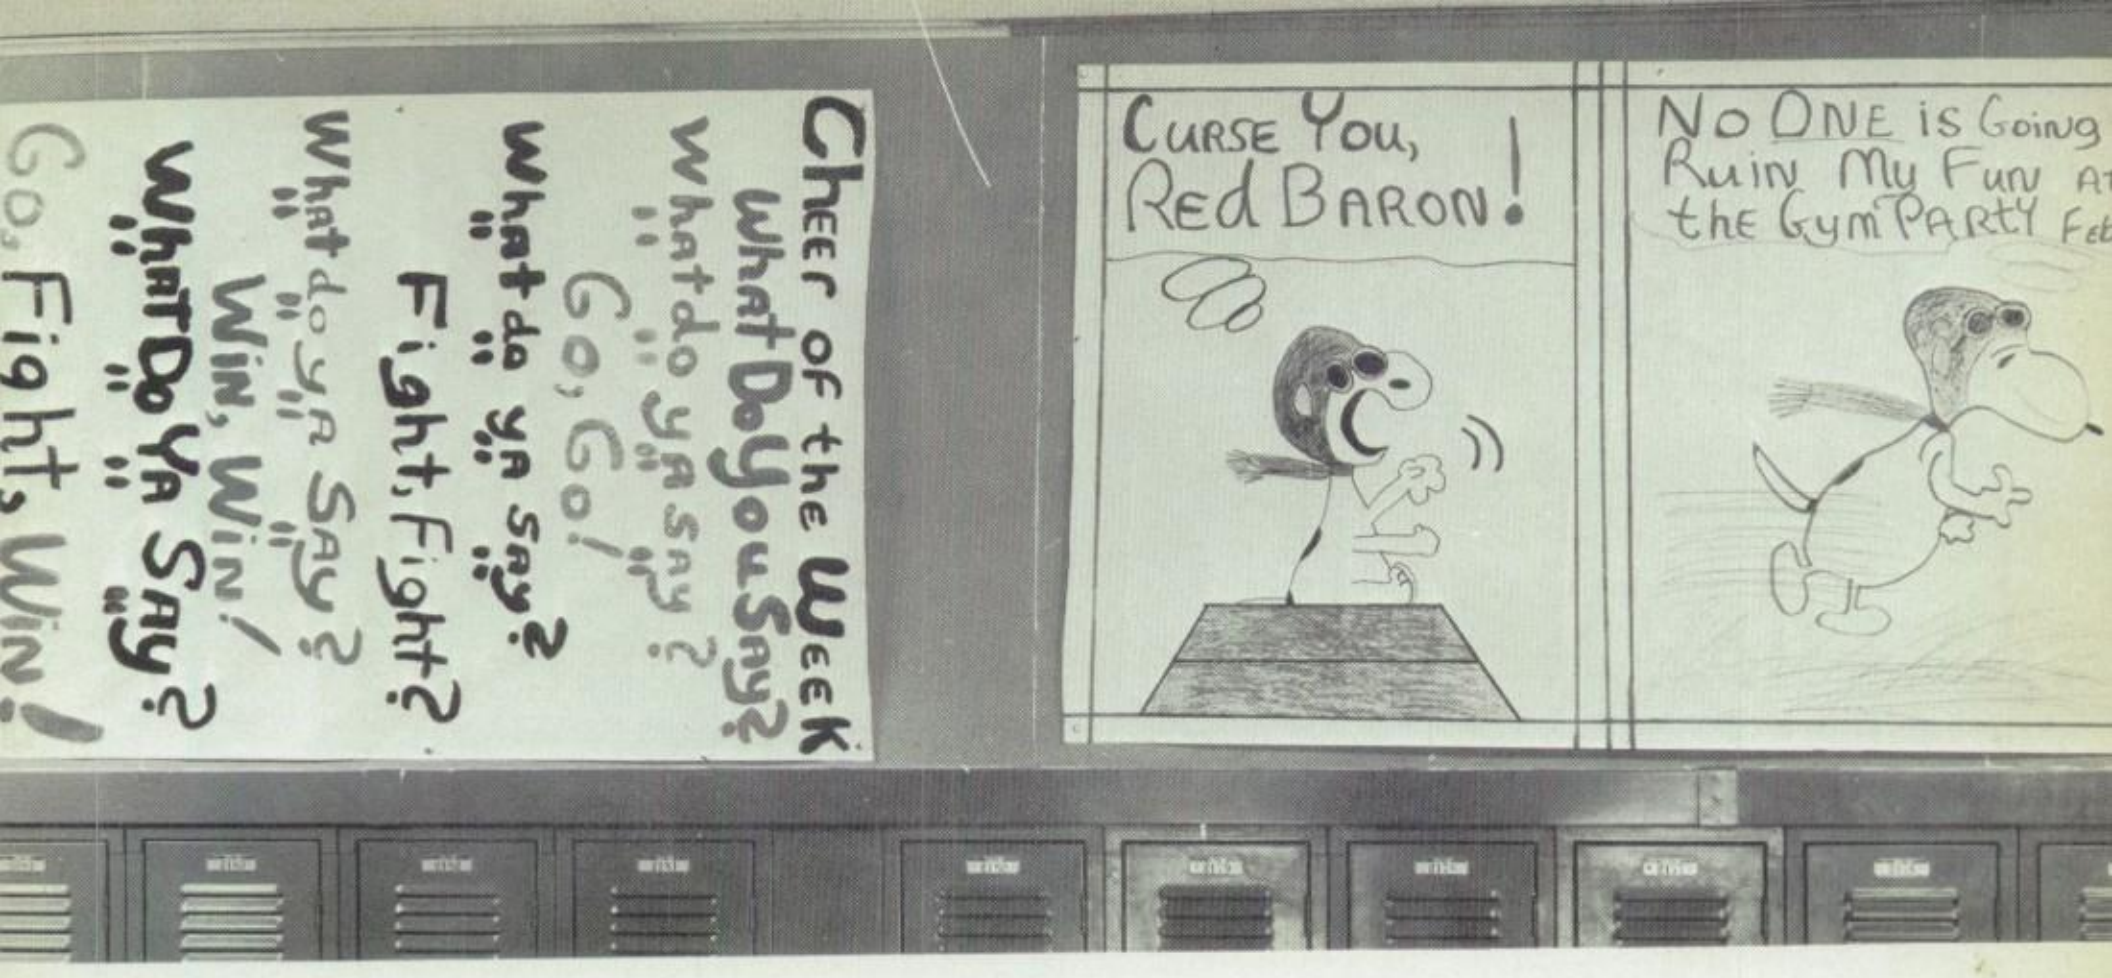
A Favorite Class . . .

Fads . . .

United in the
Search for Identity . . .

And Understanding.





these are the memories that will Linger
in our hearts
and from
all others —

Forever will
be held
Apart.

CLASSES

From the confusing halls
of a Freshman
To the discoveries in Biology
A student advances.
He then proceeds to chemistry
and the tests
Of the individual's college abilities.
And finally the end of
one educational phase
As graduation day
Introduces the student into
the adult world.

The staff of students chooses not only what they think is best and may have some value, but they also try to choose a variety of art forms. Thus the book suits the name — an artful and various pattern of ideas.

ART CLUB

Though the ZBTHS Art Club is a service organization, it also affords its membership a wide educational program. Last year the Art Club gave a $100 scholarship to an outstanding art student who desired to further his education in the field of art. The Art Club also provides individual project study, group workshops, field trips of special interest to the group to places such as the Chicago Art Institute and informative speakers on related art subjects. THE JR. TALENT SHOW

"Just Foolin' Around"

OUR A.F.S. STUDENTS

Dear Friends:

One year of school has passed, but for me this has not been just one more year; this has been a very special year, a year full of wonderful experiences, and one of the happiest years I have ever spent.

I really did not have any idea of what the United States was going to be like. The way I thought of all of you was very different from what you really are, and I am very glad.

I will never forget my American High School and all the "Zee-Bees." I really had lots of fun in all the activities of our school; going to all our games, especially basketball games, going to school dances, and talking with all of you at the school. This has meant a lot to me.

Another very different experience was the winter for it was the first time I had ever seen snow, gone ice skating, built a snowman, had a snowball fight, and skied. It was lots of fun and something very new for me.

I do not have words to say what I feel for all of you, but thanks for this wonderful year.

Sincerely,

Rudy
"A. F. S. 65-66"

SAY GOOD-BYE

Dear Friends:

It has been a great pleasure to be with you during this year. I can honestly say that I enjoyed my senior year with you very much. I have had a lot of new experiences: cold weather, snow, ice, dancing, etc. I also learned many things from you and I'm grateful for them.

I'll never forget Z.B. and the U.S.A., my wonderful second home and all of you!

I am sincerely thankful for everything I have had from you. I can only express my appreciation by wishing you the best luck in the world and success in all your efforts.

Be sure to come to Thailand when you have a chance, Thailand—"The Land of the Free" will welcome all of you!!

Sincerely yours,

Juti Kingkeow

FORESIGHT, DEDICATION, AND LEADERSHIP

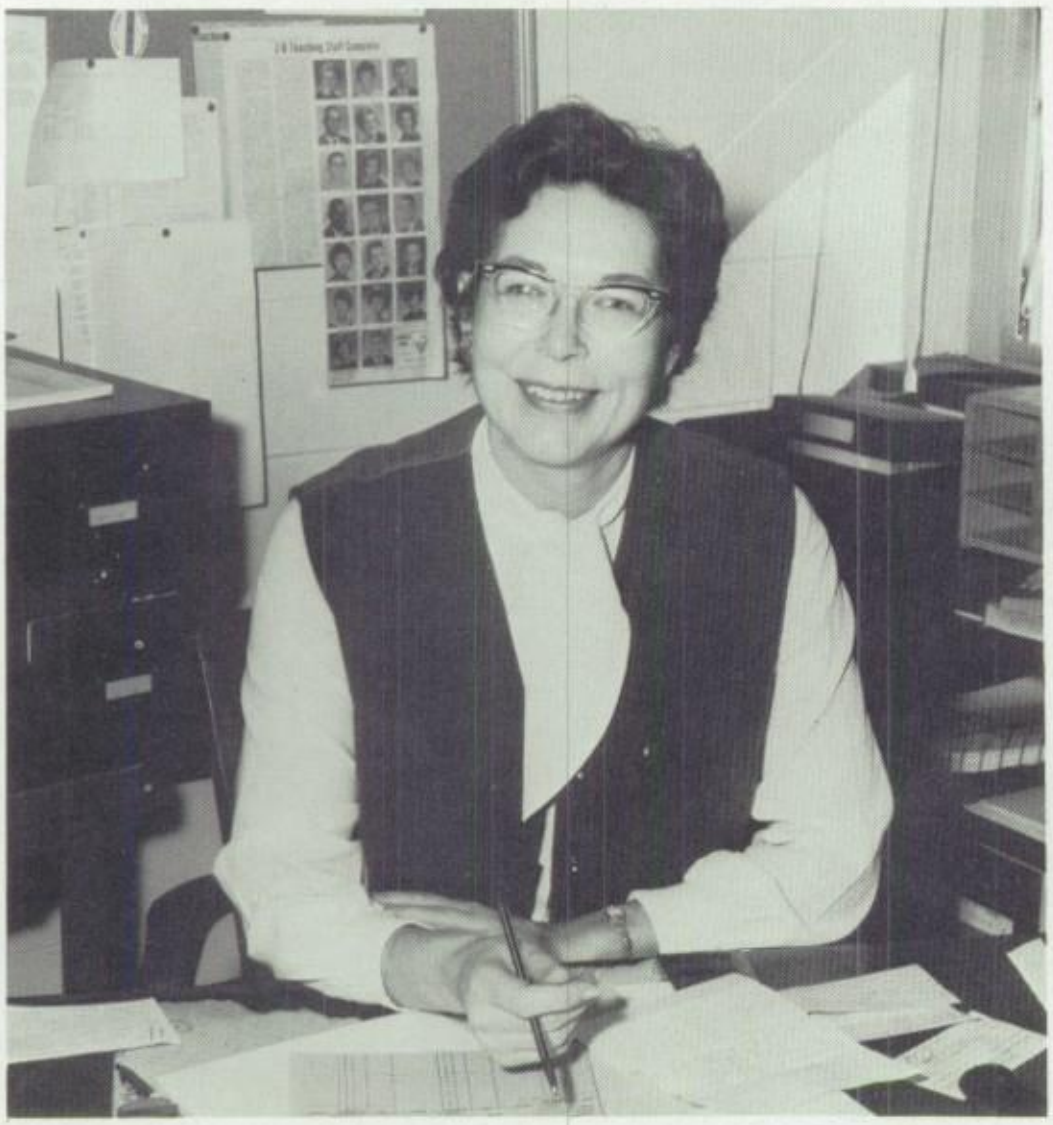
For 27 years, Mr. Pearce has served Zion-Benton Township High School as head administrator. He is a man who is dedicated to his job and who works to better Zion-Benton in every way possible. Not only is he concerned about the welfare of the school, but he is concerned with each individual student and teacher.

MARK 27 YEARS OF SERVICE

One of the busiest men to be found at Zion-Benton is Mr. Gardner. Not only is he the principal of Student Services, but he also counsels seniors and helps them with graduation and college plans; he is co-sponsor of Student Council, and co-sponsor of the Senior Class.

Mr. Whitney's second year at Zion-Benton has brought him many jobs and much responsibility. He bears the title of Principal of Curriculum, Instruction, and Professional Personnel, and is responsible for the hiring and supervision of all teachers; supervision of all scheduling procedures and educational data processing; and the co-ordination of all instructional departments.

Mr. Robbins is Zion-Benton's hard-working business manager. He is responsible for purchasing supplies and equipment for the school. He also has the job of seeing that all clubs and organizations involved in the handling of money write receipts and keep accurate accounts of their financial standing.



Miss Nelson, Dean of Girls, handles the girl's attendance and sees that the girls of Zion Benton receive needed guidance. She teaches a Physical Education class and is also a sponsor of G.A.A.

WHERE'S ROOM 232?

Two of the important people at Zion Benton may be found everyday in Room 232.

Mr. Fencik, our Dean of Boys, takes care of the boys attendance and sees to it that the boys maintain a high standard of discipline. In addition to this, he is our admired varsity basketball and golf coach.

The Board of Education is composed of men of the community who are interested, competent, and well-qualified to direct the activities of the school. These men meet regularly and without compensation. The students of Zion-Benton are indeed fortunate to have these men working for the progress of our education.

HOME ECONOMICS

Have you ever flipped pancakes into the batter? Or crushed nuts still in the bag with your fist? This is not part of the Home Ec. Departments usual procedures, but then again things don't always go as planned, especially when there are thirty men in the kitchen.

This year the Home Ec. Department had two student teachers from Northern Illinois university who were under the direction of Mrs. Stellmaker.

SCIENCE DEPARTMENT

Some sophomore boys just cannot wait to get to biology and a scalpel and start cutting up animals. Sophomore girls dread the thought of cutting up those poor helpless animals, but in biology it is required.

A new biology course was offered this year which emphasized three main phases of life—the uniting, dividing, and continuation. Laboratory experiments were also stressed.

THE LATIN BANQUET

And Me?

Lonely people everywhere
Think no ones there to care
Hearts so heavy
Words so slow . . .
And me?

Silent people stare ahead
Might as well be dead
Lives so worthless
Eyes so sad . . .
And me?

Is *my* white world a
nightmare?
No, I've someone there
to care
I have friends
I have faith . . .
Oh, thank God I'm me.

AUTOGRAPHS . . .

AUTOGRAPHS . . .

Dear Larry,

Well, it's been just a little over two years, huh? I don't know where to begin - there's been so many things, some, I think, both of us would rather forget; but it's all in the past and all we can do is just remember and laugh or cry - whichever it may be!! I owe a lot to Linda & Bonnie for introducing us and starting it all! Remember that nite? The show, the walk and (?) well you know!! I remember you would never give me a ride on your motor scooter - Keiton had to!!! I got so mad, you, but that's all in the past. There was so many things that first summer, so many things - I had such a good time with you. Remember over Stone's and Hoklan's and that time we doubled with Barnes & Stone - Reverse - know why! That was a memorable night and you hard on both of us - Me always having to go the games and cheer - This is when our fights really got bad - Right? You see what I mean, "Some things we both would rather forget." Then last summer was sort of a wiped up one for both of us, I think, for one odd month (It seemed like 2,000 years) Thank goodness for Molly Gunther's party!! and hangout too!! Well I've gotten up to this terrible year - things have really turned for the worst! I can honestly say that I really enjoyed Prom with you - It was so much fun! Well all I can say right now is that if I ever had a minute hesitate. Except benefit from for my mistakes - my terrible mistakes. I wish you all the luck in the world, Kay and everything that goes along.

All My Love Forever,
Cheryl
